

Setting the Standard for High Sensitivity Full Spectrum Cytometry

Cytek Aurora High Dimensional Flow Cytometry

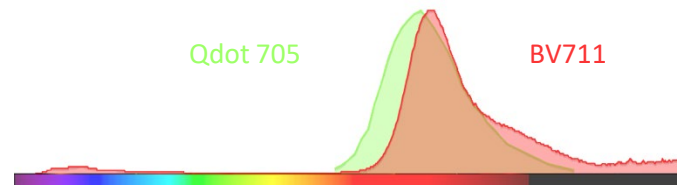

July 12-13, 2021

Seminar Room 208

University of Otago Flow Cytometry Facility

PLEASE REGISTER HERE

The Flow Cytometry facility now offers high dimension, spectral cytometry with our newest instrument, the Cytek Aurora Spectral Cytometer.

Please join us for a series of seminars on flow & spectral cytometry by Kate Pilkington, Technical Applications Specialist from Cytek Biosciences, where the following topics will be discussed:

- Mon 12th July 10:30 am – 12 noon
Introduction to Flow Cytometry
- Mon 12th July 3:30 pm – 5 pm
Panel Design Seminar & Workshop
- Tuesday 13th July 9:30 am – 11 am
Getting Started with Spectral Cytometry
- Tuesday 13th July 1 pm – 3 pm
Cytometry Best Practices & Reference Controls
