

Event program ~3.5 hours

Friday, December 13th, 2024

09:00 - 09:15 | **Reception.**

09:15 - 09:30 | **Introduction.**

09:30 - 10:00 | **Air environmental
DNA - Gracie Kroos.**

10:15 - 10:15 | **Break.**

10:15 - 10:30 | **Example use
CRISPR-Dx.**

10:30 - 11:30 | **Local installation of
artificial intelligence and testing.**

11:30 - 12:00 | **Results breakdown.**

12:00 - 12:30 | **Q&A and final
remarks.**

This event is open to the broad
Otago scientific community.

CRISPR-based diagnostics

augmented with artificial
intelligence

Hosted by Genetics Otago and
the CRISPR Hub

 **When?** Friday, December
13th, 2024

 **Where?** Hunter Centre,
seminar room 1.18

Register below to the
workshop

Requirements
Laptop with macOS
or Windows operating
system (with Linux
subsystem)

**Dr. Cushla McKinney
Gracie Kroos
Benjamin Duran-Vinet**
